

Fall 2016

Dear Phoenix Ag Club Members
and Potential Members:

Greetings from your Director who is now emerging from a long, toasty summer. Morning golf, AC in the PM, TV baseball, and preparing for next PAC season is a combination that works!

Our Preliminary Agenda for this New Season

January 19, 2017 Motor Coach Tour of MAC Center east of Maricopa.
Demonstration of crop scanning using new technology developed at University of Arizona (lunch and tour of Agritopia included)

February 21, 2017 Annual Outlook Meeting at Sky Song in Scottsdale
Farm Succession Planning: Features and benefits as described by farm families who have a plan in place

Dues for 2017 are due November 1. But wait...there is an incentive! When you assist with recruiting a new member, your dues are waived! Just send in their name using the form below or give me a call.

We appreciate your support and interest in growing and sustaining the Phoenix Agricultural Club!

Best regards,
Ted Axland, Director
